

Religious Holidays and the School Year Calendar

ISD Hutterian Schools operate on a parallel calendar to ISD Public Schools. Beginning and ending dates of the school year, statutory holidays and some Administrative/ Professional Development days are the same. Hutterian schools, however, co-ordinate as many as eight Admin/PD days with the Hutterian religious holidays. The number of days and the dates change from year to year, depending on the dates of the Christmas Break, and the date of Easter. School Administrative and Professional Development days for Hutterian Schools can be found by clicking the ***School Year Calendar*** on the homepage.
