June 16	Field trip
June 17	Last day High School
June 22	Grad and Picnic
June 23	High School ITV picnic
June 30	Report card pick up

Mrs. Greigson's guidance lesson this month was on the topic of gratitude. We have many things to be grateful for this spring, including being able to get back to normal such as the Mother's Day, ITV celebrations and a field trip.

The teachers would like to express our gratitude to the community for their cooperation and generosity. We are grateful to have been able to work in such a wonderful community.
