

Hello Summer

Dear Parents,

It has been such a joy travelling together through this memorable and often challenging school year. I can't thank you enough for your constant support of both students and teachers. We can't be successful without you cheering for your children, believing in them, challenging them to give their best effort, and staying in communication with them. They need you, and I'm grateful you are there for them!

- Mrs. Farnworth

My special thanks to all the parents for celebrating your children's learning! It means a lot to them!

Thank you for a fun picnic you generously shared with us!

*The school has undergone some changes. I appreciate students' help with switching the classrooms. I would like to thank **Elijah**, **Thaddeus**, and **Lucas** for taking care of the shelves and door knobs that had been broken earlier.*

Mrs. Iverson has been helping me to organize the books and learning materials in the library. It is a time-consuming and tiring process. I will kindly ask to keep all the books where they are left.
