Sun Safety

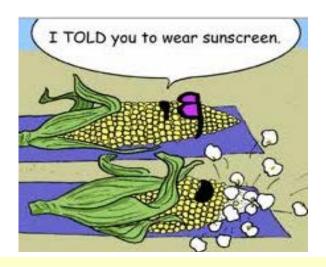

Summer has finally arrived!! We can now venture outside and enjoy the warm sunshine and clear blue skies. I know everyone on the colony will be busy with all types of outdoor work and leisure activities.

While the sun, and its warmth, is a welcome reprieve from the cold and greyness of winter, we do need to be mindful about how it affects us and our health.

Here are a few things to keep in mind when out in the sun!

Bouquets

- To the students who bring our lunch dishes to the kitchen and to the young ladies who bring our lunch every day!
- To Parents for leaving notes in the agenda or for calling the school when your children are going to be late or absent. Also for your support of school events throughout the year.
- To the women in the kitchen and bakery for filling our stomachs with delicious food and tasty treats!
- A big thank you to the members of New Haven Colony for your support during the school year. Your support has helped to make this year a very successful one.

Happy Father's Day!

Wishing all the men of New Haven a special day!

I love to wear my Daddy's shoes though my feet are small, when they are in my Daddy's shoes, I feel 10 feet tall. Someday I'll grow to fill them, I only hope to be, as fine a man 8 great a Dad as my Daddy is to me.
