Swimming Lessons

On Friday, April 12th students will begin their swimming lessons at Seven Oaks Pool. We will leave the school at about 9:30 a.m. and start lessons at 10:30. Students will have a 30-minute lesson each week and the remaining 90 minutes to swim or play in the pool and work on practicing what is taught in lessons. Students must bring a swimsuit (ensure they have all the necessary parts!), a brush or comb, a bag for wet clothes and towels. Lockers are available for keeping devices safe (25 cents per locker). We will eat lunch on the bus ride home each week. Students will be allowed to return home, drop off wet clothing and then return to school for the remainder of the day. ITV classes that are missed are expected to be caught up by the Monday after. ITV teachers are aware students will be missing some classes but will work diligently to catch up.

We are asking for one parent volunteer each week if possible to help watch the students. Lifeguards are onsite and watching but extra eyes are appreciated. A sign-up sheet will be in the kitchen with dates needed. Please message Mrs. Jensen to let me know what week you will attend.

HIGH SCHOOL ELA

High-school students will be delving into a novel study with a World War II theme. Throughout this exploration, they'll tackle important topics like the Holocaust and participate in engaging activities such as book talks and presentations. To conclude the unit we will be writing a research essay, which is bound to be fun!!!!!!
