

# Concord School

## DECEMBER NEWSLETTER 2020

December ended up being a busy time for both students and teachers as they worked on Christmas projects, stories, crafts and card making.

However, the most fun was had by students during project-based learning as they designed a "Gingerbread Village". Students were highly engaged as they researched, collaborated, and communicated with their groups to design their houses. Critical thinking skills and problem-solving strategies were on overload as their village came to life. They realized it's much harder than it looks on the cooking channel. The final product was impressive and the students had a marvelous time!

**Important Dates:**

January 4, 2021    Back to School

January 6, 2021    Teacher inservice - no school

*An upside-down candy cane forms the letter "J" - the first letter of Jesus' name. Candy canes are shaped like a shepherd's staff. Like sheep depend on a shepherd, Jesus wants us to know and obey His voice, and allow His staff to keep us close. As we follow Jesus, we can be sure that goodness and mercy are following close behind! Jesus is our good shepherd!*
