February News

We LOVE "Love to Read" month! We had a busy month with Valentine's Day, 100 Day and many fun reading activities such as buddy reading, reading in forts and nachos for knowledge. We were also very fortunate to have many guest readers visit us this month. We would like to thank Constable Sonnenberg, Mr. McDonald, Mrs. Fines, Armin, Mr. Moran, Mrs. Ladyka, Ms. Benson, Mrs. Fairlie, Mrs. Coolidge, Corinne, Linda and Mary for sharing their love of reading with us!

From Mrs. Coolidge, Guidance Counsellor:

Thank you to everyone who attended our Early Childhood Development presentation! We really appreciate your participation. The presentation went over the stages of young children in all areas (physical, language, social-emotional, and cognitive/academic). Suggestions were given for ways to aid in developing these domains to help prepare young children for readiness and success in school. We encourage you to speak English to your children and to read with them at home daily. We stressed the importance of early identification and intervention when milestones are not met. There were discussions about health, nutrition, and sleep, as well as when to talk to the doctor about concerns. We hope you found the information helpful and look forward to seeing you in future presentations!

The first five years have so much to do with how the next 80 turn out.

Bill Gates Sr.

Important Dates to Remember:

March 31- April 4 -Spring Break

No school April 18, 21 & 22
