

February Newsletter

Murray Gillespie

We were very fortunate to have a wonderful presentation by Murray Gillespie on Inuit people. He talked about how the Inuit survived off the land by making tools out of animal bones, Mr. Gillespie brought lots of furs, skulls, and various hides for the kids to check out.

I Love to Read Month

February is I Love to Read Month. It is a month that encourages daily reading and celebrates all that we can learn from reading.

We are looking forward to having several guest readers in our school this month and we still have room for any moms, dads, aunts, uncles, or grandparents to stop by and read a story to the students. Feel free to call the school to set up a time to share a story of your own with us!

Important Reminders

- Students are again reminded to **dress for the weather**. They are expected to go out for recess twice a day and for Phys. Ed on Tuesdays and Thursdays.
- Progress Conversations will be on February 18th.

Dates to Remember

- Feb 16th – No School – Louis Riel Day
- Feb 18th – Progress Conversations
