

MALLARD

JUNE NEWSLETTER

THIS MONTH

June already! The last school year has flown by so quickly. We have several June activities coming up to make you aware of:

- June 2nd - We will welcome Mrs. Willey, who will be the new Learning Support Teacher and Guidance Counsellor.
- June 3rd - The High School students will present their Build Your Own Country Projects, and everyone is welcome to attend.
- June 4th - The students in Mrs. Jensen's room will present a special TUSC meeting for their parents only.
- June 5th - Soccer Tournament. Most High School students and the boys are attending along with Noella and Phoebe. Mrs. Khubbar will be subbing for Mrs. Jensen that day and will go with the girls to swimming lessons and then be at the school in the afternoon with students.
- June 19th - Picnic.
- June 22nd - Father's Day Coffee.
- June 25th at 1:30 p.m. - Graduation.
- June 30th - Report Card pickup and last day of school.

There will be some staffing changes next year. Mrs. Jensen will be moving on to Prairie Blossom School next year. Phoebe will also be leaving her full time position but will remain on the sub list for when an EA sub is needed. Noella and Sarantha are staying on and will be joined by Mrs. Cassidy. Mrs. Cassidy will be here in a half-time position and will have lots of great ideas and a wealth of knowledge to share. Any further staffing updates will be shared as they become available.

REPORT CARDS

Report cards will be finalized by mid June and will be distributed on the last day, June 30th. For students that may be away the reports will be available for pickup by parents by 10 a.m. or dropped off in the kitchen for pickup at 11:45. Please try to have all students here for pickup in person .

THOUGHTS FROM MRS. JENSEN

I would like to take this opportunity to express my sincere thanks for all of the support and encouragement you have shared with me over the last six years while I have been the Teaching Principal at Mallard. I am very pleased with the growth students have shown overall. There have been many challenges in our way at times but we have always persevered and found a way to continue to try our very best.

I have sincerely enjoyed getting to work with your children, my amazing staff and with your wonderful community. I will miss seeing these kids everyday but look forward to a return visit soon!

"How lucky I am to have something that makes saying goodbye so hard." – A.A. Milne

FROM THE GUIDANCE COUNSELOR

All year in guidance we have been learning about how we can help our world and make a difference in the lives of others. The students coloured placemats to be used at Siloam Mission's Thanksgiving meal, made cards with special Christmas greetings for the Stonewall Christmas Cheer Board, and reflected on how important it is to have a safe, secure home through the Habitat for Humanity's Meaning of Home writing project.

For our final guidance project this year, we've been focusing on sustainability, the importance of the environment, and how we can all help to keep our earth healthy for years to come. We've learned about how essential water is and ways we can help to preserve clean water. We've also studied how trees are a resource that we cannot live without. Although we need to use resources from the earth to live, it's important to think about how our actions affect the environment and look for ways to reduce our impact.

We have had a great year learning about how we can help others, be grateful for our blessings, and about the importance of taking care of our environment. We look forward to more guidance lessons next year. Have a great summer everyone!
