

It's hard to believe we've come to the end of another school year. It only seems like days ago that we were all eagerly anticipating the start of the year.

We've had a busy last month wrapping up the units we've been working on in all subjects. Everyone is happy that we now have a few days to just relax, have fun and tidy up for next year.

On May 29, the students and staff went on a much-anticipated field trip to the Assiniboine Zoo in Winnipeg. We had a 2-hour tour and saw some amazing animals like burrowing owls, griffins (monkeys), snow leopards, wolves, elk, snowy owls, lemurs, all kinds of exotic birds, kangaroos, lots of different reptiles and meerkats. All of us were anxious to see the majestic tiger but unfortunately, we weren't able to as their habitat was being cleaned. The highlight of our tour was when we saw the seals and polar bears. We walked through a glass tunnel surrounded by water. The polar bears and seals swam around and played with each other. But don't worry, both animals were in separate tanks. Some even came right up to the glass. It was an amazing thing to see. After the zoo, we walked into the park to eat lunch and have a few hours of fun. Before we headed home, we all walked over to Sargent Sundae for a delicious ice-cream treat. We were all exhausted from our trip and slept the whole ride back. It truly was a remarkable day.

Students were eager to share their academic progress with their families on portfolio day. Parents were happy to see how much their children have accomplished, and were very complimentary about the student art on display.

We enjoyed welcoming our dads to school for coffee and donuts for Father's Day. They enjoyed the songs performed by the girls, and everyone enjoyed the donuts from Krispy Kreme!

Congratulations to Kayla, our graduate this year. From the first day of kindergarten to today, you have worked hard and persevered to complete this important milestone in life. "Today is your day. You're off to Great Places! You're off and away!" — Dr. Seuss, Oh, the Places You'll Go!

And finally.....a fond farewell to Mrs. Farnworth and Mrs. Olson. Thank you for all you have done to help the students blossom and grow over the years. We wish you the best in your new schools.

AT THE ZOO

FATHER'S DAY

Just some of the work we've done this year.

Congratulations, Kayla!
