

Lightly School's Clearly Delightful News

September 2026

I would like to say a big thank you to our whole school community for making me feel so welcomed. It has been wonderful to see our students make such a strong start to the new school year. I am especially happy to see everyone arriving on time, ready to learn, participate, and do their best.

Together, we will continue building a supportive, friendly, and welcoming classroom environment where everyone feels safe to make mistakes, ask questions, try new things, and learn from challenges without feeling stressed or judged. Mistakes are an important part of learning, and every step forward deserves to be celebrated.

We certainly did not waste any time in September! Our students learned and explored so much. We worked with numbers up to 1,000,000, wrote creative stories inspired by the beauty of the fall season, learned about healthy eating habits, and explored the fascinating world of plant and animal cells. Our high school students also worked diligently on their online courses, demonstrating strong engagement, responsibility, and commitment to their assignments.

I am very proud of the positive start we have made together. Let's keep this wonderful energy going! Every new day brings another opportunity to learn, grow, support one another, and discover what we are capable of. Keep believing in yourselves, keep asking questions, and remember that progress comes one step at a time. I am looking forward to all the great things we will accomplish together!

Back To School!

Pumpkins For Charity

Our annual charity fundraiser started off great as the whole school took off to the garden to help bring our pumpkins in. We've been doing this fundraiser for several years now and it's always amazing how supportive our local community is. After the fundraising, the students sit down and discuss what they want to donate the money to. We stick mostly with local charities so the kids can feel closer to the causes they support.

If you would like to donate money or support us by buying a pumpkin it's \$5 for a large pumpkin, \$3 for a small pumpkin or \$5 for two
