

Back to School Fun

We have had a busy and exciting start to the school year! Students have been working hard on their beginning of the year assessments and have shown great effort and perseverance. We are also spending lots of time getting comfortable with our classroom routines, schedules, and expectations. We have made sure to have some fun along the way too! One of our first activities was making delicious-looking (and very messy!) worms in dirt. Our high school students are also getting used to the new ITV program and are working hard to stay on top of assignments and keep up with their deadlines. It has been a great start to the year, and we are looking forward to all the learning and fun ahead!

Every Child Matters

September 30th is National Day for Truth and Reconciliation. We discussed residential schools and what makes a school comfortable and safe. We made a school tree that reflects what helps us belong in a community.

Open House

Thank you to all of you who attended our Open House. As always it was lovely to see you all! Some important information was presented, but here is a quick recap for those who were unable to attend:

- Please make sure to bring your agenda to school every morning and home every afternoon.
- Students need to come to school on time! School starts at 9:00 every morning and starts back up at 12:20 after lunch. If you know you will be late, please give us a call!
- As the weather begins to turn colder, make sure you are dressed for the weather. Phys. Ed and recess will be outside!
- If your child is sick, please give the school a call and let us know.
- Parents are welcome to stop by the school anytime to see what your children are learning about at school! We love to have visitors!
